*Amendment*  
*Attorney Docket No. S63.2B-9919-US01*

**Remarks**

This Amendment is in response to the Final Office Action dated **October 11, 2006**.

In the Final Office Action claim 25, which recited that the steps a-c of claim 1 were performed prior to deployment in a body, was indicated to be allowable. The recitation of that claim has been inserted into independent claim 1. Claim 25 has been cancelled in view of the amendment to claim 1. Comparable recitations have been inserted into independent claims 15, 17 and 21, with appropriate adjustment for the antecedent recitations. Accordingly all of the pending claims are seen to be allowable at least for the reasons that claim 25 has been found to be allowable.

For the record the applicant states that it does not agree with the rejections stated in the Final Rejection for reasons previously stated and reserves the right to file a continuing application directed to the subject matter of the claims as they stood prior to the present amendment.

The application is in condition for allowance. Early and favorable action thereon is respectfully requested.

Respectfully submitted,

VIDAS, ARRETT & STEINKRAUS
